## Welcome to the Bradenton Yacht Club

The Bradenton Yacht Club has a long history going back to its incorporation in May of 1946. There were eighteen charter members and the Club leased space at the Bradenton Memorial Pier, now known as the Twin Dolphin Marina Restaurant. In June of 1964, the current property on Snead Island was purchased and the rest is history.

The Bradenton Yacht Club Flag Officers and Board of Directors along with the management and staff welcome you to our beautiful facility. We encourage you to enjoy the full range of services and activities available at the Bradenton Yacht Club.
